Announcement No. 14, 2009

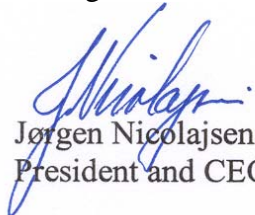

Sale of Dyrup's property in Kolding

Dyrup has today sold the GORI property in Kolding, which Teknos did not wish to take over in connection with their acquisition of the industrial activities earlier in the year.

The selling price is DKK 75 million, and the sale means that Dyrup will realise a selling profit of around DKK 18 million in 2009, which will be recognised under special items.

The Group's forecast for full-year operating profit before special items for 2009 in the DKK 50 million region as most recently announced in the interim financial report on 31 August 2009 is consequently reaffirmed.

Yours sincerely
Monberg & Thorsen A/S

Jørgen Nicolajsen
